Les corrections à la version française sont données après le texte anglais.

Annex K – Battery tools and battery packs

K.8.14.1.101.2 Safety instructions for all operations

Replace the existing text of K.8.14.1.101.2 with the following new text:

Replacement of item k):

- k) **Hold the power tool by insulated gripping surfaces only, when performing an operation where the cutting tool may contact hidden wiring. Contact with a "live" wire will also make exposed metal parts of the power tool "live" and could give the operator an electric shock.**

NOTE 101 The above warning is omitted, if polishing or sanding are the only intended operations.

Item l) is not applicable.
