

**SLOVENSKI STANDARD
SIST EN 2070-2:2001****01-januar-2001**

Aerospace series - Aluminium and aluminium alloy wrought products - Technical specification - Part 2: Sheet, strip formed profiles and plate

Aerospace series - Aluminium and aluminium alloy wrought products - Technical specification - Part 2: Sheet, strip formed profiles and plate

Luft- und Raumfahrt - Halbzeug aus Aluminium und Aluminium-Knetlegierungen - Technische Lieferbedingungen - Teil 2: Bleche, Bänder, Bandprofile und Platten

Série aérospatiale - Demi-produits corroyés en aluminium et alliages d'aluminium - Spécification technique - Partie 2: Tôles minces, bandes profilées pliées et tôles épaisses

NORME EUROPÉENNE
EUROPÄISCHE NORM

EN 2070

Part 2

December 1989

UDC : 669.71.018.26-41 : 620.1 : 629.7

Key words : Aircraft industry, rolled products, semi-finished products, aluminium, aluminium alloys, metal plates, metal section, steel strips, manufacturing, specifications

English version

**Aerospace series
Aluminium and aluminium
alloy wrought products
Technical specification
Part 2 : Sheet, strip
formed profiles and plate**

**Série aérospatiale
Demi-produits corroyés
en aluminium et alliages d'aluminium
Spécification technique
Partie 2 : Tôles minces, bandes
profilés pliés et tôles épaisses**

**Luft- und Raumfahrt
Halbzeug aus Aluminium und
Aluminium-Knetlegierungen
Technische Lieferbedingungen
Teil 2 : Bleche, Bänder,
Bandprofile und Platten**

This European Standard was accepted by CEN on 1988-07-20. CEN members are bound to comply with the requirements of CEN internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to CEN Central Secretariat has the same status as the official versions.

CEN members are the national standards organizations of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

CEN

European Committee for Standardization
Comité Européen de Normalisation
Europäisches Komitee für Normung

Central Secretariat : Rue Bréderode 2, B-1000 Bruxelles

Brief history

This European Standard has been prepared by the European Association of Aerospace Manufacturers (AECMA).

After inquiries and votes carried out in accordance with the rules of this Association, this Standard has successively received the approval of the National Associations and the Official Services of the member countries of AECMA, prior to its presentation to CEN.

According to the Common CEN/CENELEC Rules, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
