

IEC 61326-1
(2005 edition)

Electrical equipment of measurement, control
and laboratory use – EMC requirements –

Part 1: General requirements

CEI 61326-1
(édition 2005)

Matériel électrique de mesure, de commande et
de laboratoire – Exigences relatives à la CEM –

Partie 1: Exigences générales

CORRIGENDUM 2

1 Scope

Replace the last dashed item of the last paragraph by the following:

– portable test and measurement equipment.

1 Domaine d'application

Cette correction ne s'applique qu'au texte anglais.

Annex A
(normative)

**Immunity test requirements for
hand-held test and measurement
equipment**

Replace the existing title by the following title:

**Immunity test requirements for
portable test and measurement
equipment**

Delete the first paragraph entirely.

Replace the text of the second paragraph by the following text:

Equipment covered within this Annex is portable and measurement equipment that is powered by battery or from the circuit being measured. Equipment that can be operated while charging is excluded from this Annex.

Annexe A
(normative)

**Prescriptions concernant les
essais d'immunité pour le
matériel d'essai et de mesure
portatif**

Cette correction ne s'applique qu'au texte anglais.

Annuler le premier alinéa.

Cette correction ne s'applique qu'au texte anglais.
