EN 3561:2001/AC:2003 (E)

## English version

On the English title page, the German title shall read "...reduziertes **Rohrende**".

In the scope, the mathematical symbol "+" has to be deleted in the temperature range.

In Figure 1, the allocation of the text in the footnote to the numbers in the Figure shall read "b According to EN 3272" and "c According to EN 2656".

In table 1, the indication "(DN 2)" in footnote a has to be deleted.

In the example of designation, the hyphen is missing in the identity block between the standard number and the code number.
