This amendment A12 modifies the European Standard EN 60730-1:1991. It was approved by CENELEC on 9 December 1992. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This amendment A12 to EN 60730-1:1991 has been prepared by the CENELEC Technical Committee TC 72: Automatic controls for household use.

It was agreed for submission to the CENELEC formal vote at the meeting of CLC/TC 72 in Brussels on 26 and 27 November 1991.

At that meeting it was considered necessary to issue a correction to clause 6 of EN 60730-1.

At that same meeting, a proposal from the Danish Committee (CLC/TC 72(DK)5) to delete note 12 to table 20.1 because this is a North American requirement which should not have appeared in the EN, was accepted.

The text of the draft was approved by CENELEC as amendment A12 to EN 60730-1 on 9 December 1992.

The following dates are fixed:

- latest date of publication of an identical national standard (dop) 1994-01-01
- latest date of withdrawal of conflicting standards (dow) 1995-07-01

iTeh STANDARD PREVIEW

The following modifications apply to the text of EN 60730-1:1991 (standards.iteh.ai)
