English Version

## Safety of toys - Part 1: Mechanical and physical properties

Sécurité des jouets - Partie 1: Propriétés mécaniques et  
physiques

Sicherheit von Spielzeug - Teil 1: Mechanische und  
physikalische Eigenschaften

This draft amendment is submitted to CEN members for enquiry. It has been drawn up by the Technical Committee CEN/TC 52.

This draft amendment A1, if approved, will modify the European Standard EN 71-1:2005. If this draft becomes an amendment, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for inclusion of this amendment into the relevant national standard without any alteration.

This draft amendment was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

**Warning** : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

## **Foreword**

This document (EN 71-1:2005/prA1:2005) has been prepared by Technical Committee CEN/TC 52 “Safety of toys”, the secretariat of which is held by DS.

This document is currently submitted to the CEN Enquiry.

This document has been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive(s).

*Amend heading and add a new 2nd paragraph to 4.19, which will then read as follows:*

**4.19 Percussion caps specifically designed for use in toys and toys using percussion caps (see A.24)**

Assuming reasonably foreseeable use, percussions caps specifically designed for use in toys shall not produce debris which could cause eye injuries, flames or glowing residues.

Toys intended to be used with percussion caps shall carry an indication regarding which percussion caps they can be safely used with, and a warning that use of other caps may cause damage to hearing (see 7.14).

The *packaging* of percussion caps shall carry a warning (see 7.13).

*Amend 7.14 which will then read as follows:*

**7.14 Acoustics (see 4.20 f))**

Toys which produce high impulse sound levels, or their *packaging* shall carry a warning:

"Warning! Do not use close to the ear! Misuse may cause damage to hearing."

For toys using percussion caps, add adjacent to the text above:

"Do not fire indoors! Use only percussion caps recommended by the manufacturer"

*Amend heading of A.24, which will then read as follows:*

**A.24 Percussion caps specifically designed for use in toys and toys using percussion caps (see 4.19)**
