EN 54-20:2006/AC:2008 (E)**1 Modification to Scope**

2nd paragraph, p. 5, replace "not" with "also" to read:

"Aspirating smoke detectors developed for the protection of specific risks that incorporate special characteristics (including additional features or enhanced functionality for which this standard does not define a test or assessment method) are also covered by this standard. The performance requirements for any special characteristics are beyond the scope of this standard."
