• Vote changed after revision of resolution of comments and drafting of proposed text

Remarks:

The voting recorded above is that on the PDAM after a second attempt to resolve the comments also for that part of the PDAM handling optical fibre bandwidth was successful to the point of two countries changing their original no vote to yes.

The resolution requesting that the document should be forwarded to ITTF for approval as an Amendment as soon as sufficient support had been established was approved unanimously at the above mentioned plenary.

The collation of comments on the PDAM was circulated as SC 25 N 353A.

The Disposition of Comments Report were circulated as SC 25 N 374 and N 425

Project: JTC 1.25.03.032.01-02

I hereby confirm that this draft meets the requirements of part 3 of the IEC/ISO Directives
