/Sauggeräte für den Garten - Sicherheit

This draft amendment is submitted to CEN members for enquiry. It has been drawn up by the Technical Committee CEN/TC 144.

This draft amendment A1, if approved, will modify the European Standard EN 15503:2009. If this draft becomes an amendment, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for inclusion of this amendment into the relevant national standard without any alteration.

This draft amendment was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

Foreword

This document (EN 15503:2009/prA1:2012) has been prepared by Technical Committee CEN/TC 144 “Tractors and machinery for agriculture and forestry”, the secretariat of which is held by AFNOR.

This document is currently submitted to the CEN Enquiry.

This document has been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive.

EN 15503:2009/prA1:2012 (E)**1 Modification to Clause 2**

Delete EN 1088 and replace EN ISO 12100-1:2003 and EN ISO 12100-2:2003 with the following:

"EN ISO 12100:2011 , *Safety of machinery — General principles for design — Risk assessment and risk reduction (ISO 12100:2010)*".

2 Modification to 5.1

Replace the NOTE with the following: "

NOTE For guidance in connection with risk reduction by design, see Clause 6.2, and for safeguarding measures, see Clause 6.3 of EN ISO 12100:2011."

3 Modification to 5.6.1.4

Replace with the following text:

"If a throttle setting device is provided, it shall be so positioned that it can be operated and released while holding the handle(s) during normal operation. Compliance shall be checked by functional test."

4 Modification to 6.1

Replace the 1st sentence with the following:

"Each machine shall be provided with information and instructions for normal use including warnings against particular hazards of use and instructions for operating, servicing and maintenance that comply as appropriate with 6.4.5 of EN ISO 12100:2011."
