Health informatics — Genomic Sequence Variation Markup Language (GSVML)

Informatique de santé — Langage de balisage de la variation de séquence génomique

PDF disclaimer

PDF files may contain embedded typefaces. In accordance with Adobe's licensing policy, such files may be printed or viewed but shall not be edited unless the typefaces which are embedded are licensed to and installed on the computer performing the editing. In downloading a PDF file, parties accept therein the responsibility of not infringing Adobe's licensing policy. The ISO Central Secretariat accepts no liability in this area.

Adobe is a trademark of Adobe Systems Incorporated.

Details of the software products used to create the PDF file(s) constituting this document can be found in the General Info relative to the file(s); the PDF-creation parameters were optimized for printing. Every care has been taken to ensure that the files are suitable for use by ISO member bodies. In the unlikely event that a problem relating to them is found, please inform the Central Secretariat at the address given below.

IMPORTANT — The electronic file of this document contains colours which are considered to be useful for the correct understanding of the document. Users should therefore consider printing this document using a colour printer.

This CD contains the publication ISO 25720:2009 in portable document format (PDF), which can be viewed using Adobe® Acrobat® Reader.
