Technical Corrigendum 1 to Technical Report ISO/TR 10064-5:2005 was prepared by Technical Committee ISO/TC 60, Gears.

Title page, Foreword, page 1

Delete “Cylindrical gears” from the title of ISO/TR 10064-5, thereby changing it to the following:

Code of inspection practice — Part 5: Recommendations relative to evaluation of gear measuring instruments

This is to accommodate the coverage of gears other than cylindrical in new parts of ISO/TR 10064.
