Technical Corrigendum 1 to International Standard ISO 252-1:1999 was prepared by Technical Committee ISO/TC 41, *Pulleys and belts (including veebelts)*, Subcommittee SC 3, *Conveyor belts*.

Page iii, Foreword

Modify the Foreword by replacing the penultimate paragraph with the following:

“This first edition of ISO 252-1, together with ISO 14890:2003, cancels and replaces ISO 252:1988, of which it constitutes a technical revision.”

Delete the last line of the Foreword, which makes reference to an unpublished “Part 2” whose content was incorporated into ISO 14890.
