## FOREWORD

This amendment specifies changes made to the *International Electrotechnical Vocabulary* ([www.electropedia.org](http://www.electropedia.org)) which have not been published as a separate standard.

The text of this amendment is based on the following change requests approved by IEC technical committee 1: Terminology.

Change request	Approved
C00012	2014-11-20

Full information on the voting for the approval of the change requests constituting this amendment can be found on the IEC maintenance portal.
