**Annex ZZ (informative)****Corresponding International and European Standards for which equivalents are not given in the text**

At the time of publication of ISO 13341, the edition of the following document was valid. All standards are subject to revision, and the parties to agreements based on ISO 13341 are encouraged to investigate the possibility of applying the most recent edition of the document indicated below. Members of ISO and IEC maintain registers of currently valid International Standards.

EN 629-1 : 1996      ISO 10920 : 1997, Gas cylinders - 25E taper thread for connection of valves to gas cylinders - Specification
