Security of drinking water supply - Guidelines for risk and crisis management - Part 1: Crisis management

Sécurité de l'alimentation en eau potable - Lignes directrices pour la gestion des risques et des crises - Partie 1: Gestion de crise

Sicherheit der Trinkwasserversorgung - Leitlinien für das Risiko- und Krisenmanagement - Teil 1: Krisenmanagement

This draft amendment is submitted to CEN members for unique acceptance procedure. It has been drawn up by the Technical Committee CEN/TC 164.

This draft amendment A1, if approved, will modify the European Standard EN 15975-1:2011. If this draft becomes an amendment, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for inclusion of this amendment into the relevant national standard without any alteration.

This draft amendment was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

Foreword

This document (EN 15975-1:2011/FprA1:2015) has been prepared by Technical Committee CEN/TC 164 "Water supply", the secretariat of which is held by AFNOR.

This document is currently submitted to the Unique Acceptance Procedure.

EN 15975-1:2011/FprA1:2015 (E)

1 Modification to Clause 2, Terms and definitions

Replace the terms 2.6 and 2.8 together with their definitions with the following:

"2.6

hazard

biological, chemical, physical or radiological agent in, or condition of, water with the potential danger to cause harm to public health

Note 1 to entry: Conditions include quantity."

"2.8

risk

combination of the likelihood of a hazardous event and the severity of consequences, if the hazard occurs in the drinking water supply system".
