This amendment A1 modifies the European Standard EN 160000:1993; it was approved by CENELEC on 1995-05-15. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CENELEC member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the Central Secretariat has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This amendment was prepared by Working Group CLC/TC CECC/WG UK.

The text of the draft was submitted to the Unique Acceptance Procedure and was approved by CENELEC as amendment A1 to EN 160000:1993 on 1995-05-15.

The following dates were fixed:

- latest date by which the amendment has to be implemented at national level by publication of an identical national standard or by endorsement (dop) 1996-07-01
- latest date by which the national standards conflicting with the amendment have to be withdrawn (dow) 1996-07-01

1.2 Related documents

Add:

'CECC 00 400 (1986) : Handbook for the production of CECC documents'

Annex A Drafting requirements for sectional specifications for modular electronic units

After the first paragraph, replace all the text with:

'Sectional Specifications for Modular Electronic Units shall be prepared in accordance with the requirements of CECC 00 400 Part IV Chapter I (Drafting Requirements for Generic Specifications for Capability Approval). When applying CECC 00 400 Part IV Chapter I for the purpose of drafting sectional specifications under EN 160 000, all references to Generic Specifications in Chapter I should be read as references to sectional specifications with the exception of clause 2.2.7 where the term generic should be ignored'.

Annex B Drafting requirements for the preparation of blank detail specifications

Delete B2 to B11 and replace with:

'Blank Detail Specifications for Modular Electronic Units shall be prepared in accordance with the requirements of CECC 00 400 Part IV Chapter III (Drafting Requirements for Blank Detail Specifications for Capability Approval)'.
