DRAFT
EN 13480-5:2012
prA4

April 2017

ICS

English Version

Metallic industrial piping - Part 5: Inspection and testing

This draft amendment is submitted to CEN members for enquiry. It has been drawn up by the Technical Committee CEN/TC 267.

This draft amendment A4, if approved, will modify the European Standard EN 13480-5:2012. If this draft becomes an amendment, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for inclusion of this amendment into the relevant national standard without any alteration.

This draft amendment was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

European foreword

This document (EN 13480-5:2012/prA4:2017) has been prepared by Technical Committee CEN/TC 267 “Industrial piping and pipelines”, the secretariat of which is held by AFNOR.

This document is currently submitted to the Enquiry.

This document has been prepared under a mandate given to CEN by the European Commission and the European Free Trade Association, and supports essential requirements of EU Directive(s).

For relationship with EU Directive(s), see informative Annex ZA of EN 13480-5:2012, which is an integral part of this document.

This document includes the text of the amendment itself. The amended/corrected pages of EN 13480-5:2012 will be published in the new Edition 2017 of the European Standard.

EN 13480-5:2012/prA4:2017 (E)**1 Modification to 9.3.4**

Add new paragraph 3 in 9.3.4:

"For piping in Category 0 and piping with $PS \leq 0,5$ bar an initial service leak test in accordance with Annex B may be performed if specified."

Replace the NOTE in Table 9.4-1 with the following:

"NOTE See Annex IV of the PED and CEN/TR 13480-7, Figure A.1 for the EU-declaration of conformity which shall be available if piping of Categories I, II and III is placed at the market in a country where the PED applies."

2 Modification to Clause 10

Replace Clause 10 with the following:

"On completion of final assessment and documentation, the manufacturer shall issue a declaration of compliance with EN 13480 (see Annex A). If piping of category I, II and III is placed at the market where the PED applies, the declaration in accordance with A.3 shall be replaced by an EU-declaration of conformity (see CEN/TR 13480-7, Figure A.1)."

3 Introduction of new informative Annex B "Initial Leak Test"

Add new informative Annex B:
