EUROPEAN STANDARD
NORME EUROPÉENNE
EUROPÄISCHE NORM

DRAFT
prEN 16223-1

January 2021

ICS 59.140.30

Will supersede EN 16223:2012

English Version

Leather - Requirements for the designation and description of leather in upholstery and automotive interior applications - Part 1: upholstery applications

Leder - Anforderungen an Bezeichnung und Beschreibung von Leder für Polsterungen und die Innenausstattung von Automobilen - Teil 1: Verwendungen bei Polstermöbeln

This draft European Standard is submitted to CEN members for enquiry. It has been drawn up by the Technical Committee CEN/TC 289.

If this draft becomes a European Standard, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

This draft European Standard was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

European foreword

This document (prEN 16223-1:2021) has been prepared by Technical Committee CEN/TC 289 “Leather”, the secretariat of which is held by UNI.

This document is currently submitted to the CEN Enquiry.

This document will supersede EN 16223:2012.

In comparison with the previous edition, the following technical modifications have been made:

- EN 16223:2012 has been split into two parts, Part 1: Upholstery applications and Part 2: Automotive interior application
- Clause 3: modification of some definitions
- Modifications in Clause 4 “General principles” and Clause 5 “Requirements”
- Editorial updates

prEN 16223-1:2021 (E)

Introduction

This document is based on the Code of Practice of the International Council of Tanners (ICT) – Code of Practice on the appropriate designation of leather used in upholstery (Hong Kong, 30 March 2009).

In the absence of national regulations this document provides the furniture industries with a standard on which to base their commercial communications to customers and the general public when leather is used in their products.

iTeh STANDARD PREVIEW (standards.iteh.ai)

[oSIST prEN 16223-1:2021](https://standards.iteh.ai/catalog/standards/sist/d56e434a-3acb-4731-8569-25e2c285ed07/osist-pren-16223-1-2021)

1 Scope

This document specifies requirements for the designations and descriptions in public or commercial communications, labels or product descriptions when leather is used in upholstered furniture and seating.

The designation or description of leather in footwear, leather goods and leather clothing including gloves are not covered by this document.

The designation and description of leather in automotive interior applications is covered in prEN 16223-2.

2 Normative references

The following documents are referred to in the text in such a way that some or all of their content constitutes requirements of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

EN 15987, *Leather - Terminology - Key definitions for the leather trade*

3 Terms and definitions

For the purposes of this document, the terms and definitions given in EN 15987 and the following apply.

ISO and IEC maintain terminological databases for use in standardization at the following addresses:

- IEC Electropedia: available at <http://www.electropedia.org/>
- ISO Online browsing platform: available at <https://www.iso.org/obp>

3.1

seating

independent piece of upholstered furniture intended for seating purposes comprising contact and non-contact areas

3.2

upholstered furniture

furniture intended for sitting purposes comprising a frame, cushioning material and a covering, excluding loose cushions and free coverings, unless they are an integral part of the furniture

3.3

contact area

area of upholstered furniture or seating, that comes into contact with the body including the horizontal seat cover, arm rests, vertical seat back, and head/neck rest

3.4

non-contact area

area of upholstered furniture or seating, that is not intended for sitting purposes including areas on the outsides, backs and underside

3.5

underside

floor facing side of the furniture, covered or not

3.6

visible surface areas

total of contact area and non-contact area, excluding the underside
