| <b>Foreword</b>                                                                                           | <b>iv</b> |
| <b>Introduction</b>                                                                                       | <b>v</b>  |
| <b>1 Scope</b>                                                                                            | <b>1</b>  |
| <b>2 Normative references</b>                                                                             | <b>1</b>  |
| <b>3 Terms and definitions</b>                                                                            | <b>1</b>  |
| <b>4 Competence requirements</b>                                                                          | <b>2</b>  |
| <b>5 Competence requirements for OH&amp;S management system auditors</b>                                  | <b>2</b>  |
| 5.1 General                                                                                               | 2         |
| 5.2 Terminology, principles, processes and concepts of OH&S                                               | 2         |
| 5.3 Context of the organization                                                                           | 2         |
| 5.4 Leadership, consultation and participation of workers                                                 | 3         |
| 5.5 Legal requirements and other requirements                                                             | 3         |
| 5.6 OH&S risks, OH&S opportunities and other risks and other opportunities                                | 3         |
| 5.6.1 Risks and opportunities                                                                             | 3         |
| 5.6.2 Hazard identification                                                                               | 3         |
| 5.6.3 Assessment of OH&S risks                                                                            | 4         |
| 5.6.4 OH&S opportunities                                                                                  | 4         |
| 5.7 Emergency preparedness and response                                                                   | 4         |
| 5.8 Performance evaluation                                                                                | 4         |
| 5.9 Eliminating hazards and reducing OH&S risks                                                           | 5         |
| 5.10 Incident investigation                                                                               | 5         |
| <b>6 Competence requirements for personnel reviewing audit reports and making certification decisions</b> | <b>5</b>  |
| 6.1 Terminology, principles, processes and concepts of OH&S                                               | 5         |
| 6.2 Context of the organization                                                                           | 5         |
| 6.3 Leadership, consultation and participation of workers                                                 | 6         |
| 6.4 Legal requirements and other requirements                                                             | 6         |
| 6.5 OH&S risks, OH&S opportunities and other risks and other opportunities                                | 6         |
| 6.5.1 Hazard identification                                                                               | 6         |
| 6.5.2 Assessment of OH&S risks                                                                            | 6         |
| 6.5.3 OH&S opportunities                                                                                  | 6         |
| 6.6 Performance evaluation                                                                                | 6         |
| 6.7 Eliminating hazards and reducing OH&S risks                                                           | 6         |
| 6.8 Incident investigation                                                                                | 7         |
| <b>7 Competence requirements for other certification personnel</b>                                        | <b>7</b>  |
| 7.1 Terminology, principles, processes and concepts of OH&S                                               | 7         |
| 7.2 Context of the organization                                                                           | 7         |
| <b>Annex A (informative) Knowledge for OH&amp;S management systems auditing and certification</b>         | <b>8</b>  |
| <b>Bibliography</b>                                                                                       | <b>9</b>  |
