|--------------------------------------------------------------------------------------------|-----------|
| <b>Foreword</b> .....                                                                      | <b>iv</b> |
| <b>Introduction</b> .....                                                                  | <b>v</b>  |
| <b>1 Scope</b> .....                                                                       | <b>1</b>  |
| <b>2 Normative references</b> .....                                                        | <b>1</b>  |
| <b>3 Terms, definitions and abbreviated terms</b> .....                                    | <b>1</b>  |
| 3.1 Terms and definitions.....                                                             | 1         |
| 3.2 Abbreviated terms.....                                                                 | 2         |
| <b>4 Characteristics and their measurement methods</b> .....                               | <b>3</b>  |
| 4.1 General.....                                                                           | 3         |
| 4.2 Critical characteristics and their measurement methods.....                            | 3         |
| 4.3 Additional characteristics and their measurement methods.....                          | 3         |
| <b>5 Descriptions of characteristics and measurement methods</b> .....                     | <b>3</b>  |
| 5.1 General.....                                                                           | 3         |
| 5.2 Specific surface area.....                                                             | 4         |
| 5.3 Specific pore volume.....                                                              | 4         |
| 5.4 Pore diameter.....                                                                     | 4         |
| 5.5 Impurity content.....                                                                  | 4         |
| 5.6 Apparent density.....                                                                  | 5         |
| 5.7 Tap density.....                                                                       | 5         |
| 5.8 Particle size.....                                                                     | 5         |
| 5.9 Loss on ignition.....                                                                  | 6         |
| <b>6 Reporting</b> .....                                                                   | <b>6</b>  |
| <b>Annex A (informative) Schematic illustration of three-way catalytic converter</b> ..... | <b>7</b>  |
| <b>Annex B (informative) Example of reporting table format</b> .....                       | <b>8</b>  |
| <b>Bibliography</b> .....                                                                  | <b>9</b>  |
