English Version

Financial services - Specification of QR codes for mobile initiated (instant) credit transfers under PSD2 requirements

Finanzdienstleistungen - Spezifikation von QR-Codes für mobil initiierte (Echtzeit-)Überweisungen gemäß PSD2-Anforderungen

This draft European Standard is submitted to CEN members for enquiry. It has been drawn up by the Technical Committee CEN/TC 225.

If this draft becomes a European Standard, CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

This draft European Standard was established by CEN in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

European foreword

This document (prEN 18184:2025) has been prepared by Technical Committee CEN/TC 225 "AIDC technologies", the secretariat of which is held by TSE.

This document is currently submitted to the CEN Enquiry.

The basis for this document was prepared by the Multi-Stakeholder Group on Mobile Initiated SEPA (Instant) Credit Transfers, established by the European Payments Council (see <https://www.europeanpaymentscouncil.eu/>), called *Standardization of QR codes for mobile initiated SEPA (instant) credit transfers* (see EPC024-22v2.10, [5]). The present derived document has been drafted in accordance to the CEN editorial rules.
