prEN IEC 60335-2-36:2026
prAA

May 2026

ICS 97.040.20

English Version

Household and similar electrical appliances - Safety - Part 2-36: Particular requirements for commercial electric cooking ranges, ovens, hobs and hob elements

Appareils électrodomestiques et analogues - Sécurité -
Partie 2-36: Exigences particulières pour les cuisinières, les
fours, les tables de cuisson et les foyers de cuisson
électriques à usage commercial

Sicherheit elektrischer Geräte für den Hausgebrauch und
ähnliche Zwecke - Teil 2-36: Besondere Anforderungen für
elektrische Herde, Brat- und Backöfen und Kochplatten für
den gewerblichen Gebrauch

This draft amendment prAA, if approved, will modify the European Standard prEN IEC 60335-2-36:2026; it is submitted to CENELEC members for enquiry.
Deadline for CENELEC: 2026-08-14.

It has been drawn up by CLC/TC 61.

If this draft becomes an amendment, CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

This draft amendment was established by CENELEC in three official versions (English, French, German).

A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and the United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

26 European foreword

27 This document (prEN IEC 60335-2-36:2026/prAA:2026) has been prepared by CLC/TC 61 "Safety of household
28 and similar electrical appliances".

29 This document is currently submitted to the Enquiry.

30 The following dates are proposed:

- latest date by which the existence of this document has to be announced at national level (doa) dav + 6 months
- latest date by which this document has to be implemented at national level by publication of an identical national standard or by endorsement (dop) dav + 12 months
- latest date by which the national standards conflicting with this document have to be withdrawn (dow) dav + 36 months (to be confirmed or modified when voting)

31 This document will modify prEN IEC 60335-2-36:2026 and all its amendments and corrigenda (if any).

32 prEN IEC 60335-2-36:2026/prAA:2026 includes the following significant technical modifications:

- 33 — introduce requirements and instruction for children, vulnerable people and domestic animals;
- 34 — introduce requirements for power driven moving parts;
- 35 — introduce mechanical test set-up clarifications;
- 36 — introduce the hygienic requirements;
- 37 — introduce ergonomic requirements.

38 This document is read in conjunction with prEN IEC 60335-2-36:2026 and
39 prEN IEC 60335-2-36:2026/prA1:2026.

40 The numbering system for European clauses, subclauses, notes, tables, figures and annexes that are additional
41 to those in the IEC standard are prefixed with the letter "Z".

42 This document has been prepared under a standardization request addressed to CENELEC by the European
43 Commission. The Standing Committee of the EFTA State subsequently approves these requests for its Member
44 States.

45 For the relationship with EU legislation, see informative Annexes ZZA, ZZB and ZZC, which are an integral part
46 of this document.

47 **Secretary's note:** The text contained in the Secretary's notes will be removed from the standard before
48 publication, as it is provided solely to inform stakeholders about the reasons for introducing the European
49 common modifications.

50 **Secretary's Note:** The above sentence in lines 44/45 will be removed when the BT approves the removal of
51 the link to legislation.

prEN IEC 60335-2-36:2026/prAA:2026 (E)

52 **1 Modification to the Introduction**53 *Delete the words “manufacturer’s”.*54 **2 Modification to Clause 1, “Scope”**55 *Replace fifth paragraph starting with “As far as is practicable...” with the following:*56 “This document deals with the reasonably foreseeable hazards presented by appliances that are encountered
57 by all persons in and around the installation place or workplace.”58 *Convert the paragraph starting with “Attention is drawn to the...” into Note Z101.*59 *Addition:*

60 With European Amendment A11, EN IEC 60335-2-36:2024+A11:2024 is superseded.

61 This European Amendment A11, supplements or modifies the corresponding clauses of the standards below:

62 — EN IEC 60335-1:2023¹ (Part 1)63 — EN IEC 60335-2-36:2026²(Part 2)64 The appliance can be combined with a fuel burning function, in which case EN IEC 60335-2-102 and
65 EN IEC 60335-2-36 covers the electrical safety and some other safety aspects. All safety aspects related to the
66 use of fuel-burning gas are covered by the relevant product standard for fuel-burning appliances.67 **Secretary’s note:** the above sentence has been modified in base of the HAS comment.

68 For the purpose of this document, the term “appliance” includes the term “machine” where applicable.

69 Additional requirements for appliances with power driven moving parts are given in Annex ZE.

70 This document does not deal with any specific requirements on noise emitted from these appliances the
71 generated noise is not considered to be a relevant hazard. Thus, the emission sound pressure level LpA is
72 considered to be LpA ≤ 70 dB(A).73 This document contains requirements for appliances with **radio function, remote communication, and remote**
74 **operation.**75 For the scope of this document, the term “**radio appliance**” is used with the same meaning of “radio equipment”.

76 For the scope of this document, the term “appliance” is used with the same meaning of “equipment”.

77 **Secretary’s note:** the above sentence has been modified in base of the RED HAS comment.78 Compliance with this Part 2 when used together with the Part 1 provides one means of conformity with the
79 safety objectives as listed in Table ZZA.1, Table ZZB.1 and Table ZZC.1.80 **Secretary’s Note:** The above sentence in lines 87/88 will be removed when the BT approves the removal of
81 the link to legislation.82 **3 Modification to Clause 2, “Normative references”**83 *Addition:*84 EN 1672-2:2020, *Food processing machinery - Basic concepts - Part 2: Hygiene and cleanability requirements*

¹ As impacted by EN IEC 60335-1:2023/A11:2023 and EN IEC 60335-1:2023/prAB:2026.

² As impacted by prEN IEC 60335-2-36:2026/prA1:2026.

85 EN IEC 60335-1:2023,³ *Household and similar electrical appliances - Safety - Part 1: General requirements*

86 **4 Modification to Clause 3 “Term and definitions”**

87 **3.1.9** *Replace “recommended by the manufacturer” with “in according to user’s instruction”.*

88 *Replace “manufacturer's” with “user’s”.*

89 **5 Modification to Clause 7, “Marking and instructions”**

90 **7.12 Modification**

91 *Replace the fourth paragraph starting with “This appliance is not intended for use by persons (including*
92 *children)...” with the following:*

93 “The instructions shall state the substance of the following:

94 — This appliance is not intended for use by persons with reduced physical, sensory or mental capabilities, or
95 lack of experience and knowledge, unless they have been given supervision or instruction concerning use
96 of the appliance by a person responsible for their safety.”

97 *In the paragraph starting with “The instructions for appliances incorporating...”, replace “should consult the*
98 *manufacturer” with “medical expert”.*

99 *In the addition replace the sentence starting with “If the manufacturer...” with the following:*

100 “If the intended use of the appliance shall be limited to less than the above, this shall be clearly stated in the
101 instructions.”

102 *Delete the Modification starting with “The instruction concerning persons (including children) ...”.*

103 *Addition:*

104 The instructions shall also state

105 — the intended use of the appliance as covered by the scope of this document;

106 — instructions regarding user maintenance and operation of the appliance and, if necessary, instructions for
107 the training of operators;

108 — instructions designed to enable adjustment and maintenance to be carried out safely, including the
109 protective measures that should be taken during these operations;

110 — the conditions under which the appliance is stable during use, dismantling when out of use, testing or
111 foreseeable breakdowns;

112 — the operating method to be followed in the event of accident or breakdown to prevent unsafe actions;

113 — information regarding the use of personal protection equipment in case of spreading hot food stuff;

114 — a warning concerning possible slippery floor adjacent to the appliance;

115 — the maximum weight of the empty appliance.

116 **7.12.1** *Replace the third paragraph starting with “In addition, for appliances incorporating...” with the following:*

117 “The instructions shall state that any repairs shall be carried out by competent persons.”

³ As impacted by EN IEC 60335-1:2023/A11:2023 and EN IEC 60335-1:2023/prAB:2026.
