DRAFT
EN IEC 60335-1:2023

prAB

August 2025

ICS 13.120; 97.030

English Version

Household and similar electrical appliances - Safety - Part 1: General requirements

Appareils électrodomestiques et analogues - Sécurité -
Partie 1: Exigences générales

Sicherheit elektrischer Geräte für den Hausgebrauch und
ähnliche Zwecke - Teil 1: Allgemeine Anforderungen

This draft amendment prAB, if approved, will modify the European Standard EN IEC 60335-1:2023; it is submitted to CENELEC members for enquiry.

Deadline for CENELEC: 2025-11-14.

It has been drawn up by CLC/TC 61.

If this draft becomes an amendment, CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

This draft amendment was established by CENELEC in three official versions (English, French, German).

A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and the United Kingdom.

Recipients of this draft are invited to submit, with their comments, notification of any relevant patent rights of which they are aware and to provide supporting documentation.

Warning : This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.

18 European foreword

19 This document (EN IEC 60335-1:2023/prAB:2025) has been prepared by CLC/TC 61 "Safety of household
20 and similar electrical appliances".

21 The following dates are fixed:

- latest date by which the existence of this document has to be announced at national level (doa) dav + 6 months
- latest date by which this document has to be implemented at national level by publication of an identical national standard or by endorsement (dop) dav + 12 months
- latest date by which the national standards conflicting with this document have to be withdrawn (dow) —*

22 **Justification for no dow:*

23 *EN 60335-1:2012 and its amendments remain valid until all the Parts 2 which are used in conjunction with it*
24 *have been withdrawn. No date of withdrawal (DOW) has been given pending the updating of all Parts 2 to*
25 *align with this EN IEC 60335-1:2023/prAB:2025. The applicable date of withdrawal is given in each Part 2. It*
26 *is intended the DOW for this Part 1 will be fixed once all the Parts 2 have been updated.*

27 EN IEC 60335-1:2023/prAB:2025 includes the following significant technical changes with respect to
28 EN IEC 60335-1:2023¹:

- 29 — New test requirements for radio function products;
- 30 — New requirements for mains voltage selector switch;
- 31 — Removal of modification of test probe B of IEC 61032 in Clause 20.2;
- 32 — New requirements for resistors and capacitors used for protective impedance;
- 33 — Added usage of halogen-free cable;
- 34 — Modification of requirements related to EMF in products with radio function.

35 This document is read in conjunction with EN IEC 60335-1:2023².

36 The numbering system for European clauses, subclauses, notes, tables, figures and annexes that are
37 additional to those in the IEC standard are prefixed with the letter "Z".

38 This document has been prepared under a standardization request addressed to CENELEC by the European
39 Commission. The Standing Committee of the EFTA State subsequently approves these requests for its
40 Member States.

41 For the relationship with EU legislation, see informative Annexes ZZA, ZZB and ZZC, which are an integral
42 part of this document.
