This amendment A11 modifies the European Standard EN IEC 60436:2025; it was approved by CENELEC on 2025-07-30. CENELEC members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this amendment the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CENELEC member.

This amendment exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CENELEC member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CENELEC members are the national electrotechnical committees of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and the United Kingdom.

| European foreword.....                                                                                                             | 3  |
| 1 Modification to Clause 3, “Terms, definitions and symbols” .....                                                                 | 4  |
| 2 Modifications to Clause 5, “General conditions for measurements” .....                                                           | 4  |
| 3 Modifications to Clause 6, “Combined cleaning and drying performance tests” .....                                                | 5  |
| 4 Modifications to Clause 7, “Combined cleaning and drying performance assessment” .....                                           | 5  |
| 5 Modifications to Clause 8, “Energy consumption, water consumption, programme time“ ..                                            | 6  |
| 6 Modifications to Clause 9, “Airborne acoustical noise” .....                                                                     | 7  |
| 7 Modification to Annex A, “Place settings and serving pieces” .....                                                               | 7  |
| 8 Modification to Annex B, “Tableware specifications” and Annex D, “Pictures of soiled items” .....                                | 7  |
| 9 Modification to Annex E, “Test additives” .....                                                                                  | 7  |
| 10 Modification to Annex F, “Microwave oven” .....                                                                                 | 7  |
| 11 Modifications to Annex K, “Additional aspects of energy consumption of dishwasher” ....                                         | 7  |
| 12 Modifications to Annex L, “Suppliers of test materials” .....                                                                   | 9  |
| 13 Modification to Annex P .....                                                                                                   | 12 |
| 14 Modification to Annex Q .....                                                                                                   | 12 |
| 15 Modification to Annex R.....                                                                                                    | 12 |
| 16 Modification to Annex T, “Instrumentation and accuracy” .....                                                                   | 12 |
| 17 Modification to Annex U.....                                                                                                    | 13 |
| 18 Modification to Annex V .....                                                                                                   | 13 |
| 19 Modification to Annex X.....                                                                                                    | 13 |
| 20 Modification to Annex Y .....                                                                                                   | 13 |
| 21 Addition of Annex ZA, “Normative references to international publications with their corresponding European publications” ..... | 13 |
| 22 Addition of Annex ZC, “Template for test report” and Annex ZD, “Uncertainty of measurement” .....                               | 14 |
| Annex ZC (informative) Template for test report.....                                                                               | 15 |
| Annex ZD (informative) Uncertainty of measurement .....                                                                            | 18 |
