

---

**Poročilo o namestitvenih scenarijih, razpoložljivih preskusnih metodah in nacionalni zakonodaji, ki jih je treba upoštevati pri razvrščanju požarne odpornosti strešnih sistemov s fotonapetostnimi moduli, nameščenimi nad streho**

Report on installation scenarios, available test methods and national legislation to be considered for the fire performance classification of roof systems with above roof mounted PV modules

Sample Document

Rapport sur les scénarios d'installation, les méthodes d'essai disponibles et la législation nationale à prendre en compte dans la classification des performances au feu des systèmes de toiture équipés de modules photovoltaïques montés en surimposition

**Ta slovenski standard je istoveten z: CEN/TR 18326:2026**

---

**ICS:**

13.220.50	Požarna odpornost gradbenih materialov in elementov	Fire-resistance of building materials and elements
27.160	Sončna energija	Solar energy engineering

TECHNICAL REPORT

CEN/TR 18326

RAPPORT TECHNIQUE

TECHNISCHER REPORT

June 2026

ICS 13.220

English Version

Report on installation scenarios, available test methods  
and national legislation to be considered for the fire  
performance classification of roof systems with above roof  
mounted PV modules

Rapport sur les scénarios d'installation, les méthodes  
d'essai disponibles et la législation nationale à prendre  
en compte dans la classification des performances au  
feu des systèmes de toiture équipés de modules  
photovoltaïques montés en surimposition

This Technical Report was approved by CEN on 17 May 2026. It has been drawn up by the Technical Committee CEN/TC 127.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye and United Kingdom.

## European foreword

This document (CEN/TR 18326:2026) has been prepared by Technical Committee CEN/TC 127 “Fire safety in buildings”, the secretariat of which is held by BSI.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CEN shall not be held responsible for identifying any or all such patent rights.

Any feedback and questions on this document should be directed to the users’ national standards body. A complete listing of these bodies can be found on the CEN website..
